## Request to Open Margin Trading Mini Account

I/We hereby request KVB Kunlun NZ Ltd to open a margin trading mini account in my/our name

I/We understand that the terms and conditions will be as set out in the Client Services Agreement (Jan 06) with the following exceptions:

Mini account only supports Forex trading, excluding XAU and CNY pairs; it does not support CFDs or other derivative products.
Trading is in units of 0.1 lots, with a minimum trade size of 0.1 lots and a maximum of 1 lot.

** Mini account specifications may be changed by KVB and notification will be posted on KVB's website www.kvbkunlun.com.*

**Disclosure Statement: Fees and Charges**

In addition to the disclosures already forming part of the Client Services Agreement (Jan 06) and the Product Disclosure Statement (Jan 06) and any relevant annexures or supplements to those documents, I/we acknowledge that KVB has disclosed to me/us the following fees and charges as per the Securities Markets Act 1988:

Commission of USD2 per 0.1 lot round turn will be collected when any new position is opened. No commission will be charged when closing positions.
A fee of USD10 will be charged when funds are withdrawn from the account.

** These fees can be altered at KVB's discretion without prior notice to me/us.*

I/We acknowledge that we have received a Product Disclosure Statement for this Forex trading and that I/we understand and agree with all fees, terms and conditions associated with trading in this mini account.
